BOARD'S REPORT

Your members of the Board submit the financial report of Huntington's NSW & ACT Incorporated for the financial year ended 30 June 2023.

Members of the Board

The names of members of the Board throughout the year and at the date of this report are:

Chair	Katy Clymo	
Secretary	Kim Hart	
Treasurer	Mark Raven	
Members of the Board	Therese Alting	Stephen Garrard
	Robyn Russell	Naomi Fraser (Appointed September 2022)

Principal Activities

The principal activities of the association during the financial year were:

To promote care and facilities for people affected by Huntington's disease and provide assistance and advice to their families. To improve community awareness, medical research and provide a better understanding of the disease.

Significant Changes

No significant change in the nature of these activities occurred during the year.

Operating Result

The loss before providing for income tax amounted to \$51,513.

Significant Events

Huntington's NSW ACT has been working towards a national merger with other state Huntington's Associations in order to improve the quantity and quality of service provision.

Huntington's NSW ACT has contributed materially during this financial year to the establishment of a new company, Huntington's Australia Ltd., with the approval of the membership to merging into this new entity in late 2023.

Members gave their approval to the merger at the AGM in November 2022.

The merger will be initiated via a transfer deed that supports the compliant transfer of assets and liabilities, commencing on 1 October 2023.

Signed in accordance with a resolution of the Members of the Board.

aly Degmo.

Board Member:

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

1 Statement of Significant Accounting Policies

The financial statements were authorised for issue on 9 October 2023 by the members of the Board.

Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Simplified Disclosure Requirements of the Australian Accounting Standards Board (AASB), the Australian Charities and Not-for-profits Commission Act 2012 and Associations Incorporation Act 2009. The association is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of this financial report are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

Accounting Policies

(a) Revenue and Other Income

Revenue from the sale of goods is recognised upon the delivery of the goods to the customer. Revenue from performance of presentations and rendering of other services is recognised upon the delivery of the service to the customers.

Non-reciprocal grant revenue is recognised in the statement of comprehensive income when the association obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the association and the amount of the grant can be measured reliably.

If conditions are attached to the grant which must be satisfied before it is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied. When grant revenue is received whereby the association incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

Donations and bequests are recognised as revenue when received.

(b) Financial Instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the company becomes a party to the contractual provisions of the instruments. Financial instruments, except for trade receivables, are initially measured at fair value plus transaction costs except where the instrument is classified "at fair value through profit and loss", in which case transaction costs are expensed to profit and loss immediately.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

(b) Financial Instruments (cont.)

Trade receivables are initially measured at the transaction price if the trade receivables do not contain significant financial components.

Classification and subsequent re-measurement

Financial assets

Financial assets, other than those designated and effective as hedging instruments are subsequently measured at:

- amortised cost,
- fair value through other comprehensive income; or
- fair value through profit or loss

on the basis of the two primary criteria, being:

- the contractual cash flow characteristics of the financial asset; and
- the business model for managing the financial asset.

A financial asset is subsequently measured at amortised cost when it meets the following conditions:

- the financial asset is managed solely to collect contractual cash flows; and,
- the contractual terms within the financial asset give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset is subsequently measured at fair value through other comprehensive income when it meets the following conditions:

the contractual terms within the financial asset give rise to cash flows that are solely
payments of principal and interest on the principal amount outstanding on specified dates;
and the business model for managing the financial asset comprises both contractual cash
flows collection and the selling of the financial asset.

By default, all other financial assets that do not meet the conditions of amortised cost and the fair value through other comprehensive income's measurement condition are subsequently measured at fair value through profit and loss.

The initial designation of the financial instruments to measure at fair value through profit and loss is a one-time option on initial classification and is irrevocable until the financial asset is derecognised.

Equity instruments

At initial recognition, equity instruments that are not held for trading, are eligible for an irrevocable election to be measured at fair value through other comprehensive income, while the dividend revenue received from these instruments will still be recognised in profit or loss.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

(c) Financial Instruments (cont.)

Financial liabilities

Financial liabilities are subsequently measured at:

- amortised cost, using the effective interest method; or
- fair value through the profit or loss.

A financial liability is measured at fair value through profit and loss if the financial liability is:

- a contingent consideration of an acquirer in a business combination
- held for trading; or
- initially designated as at fair value through profit or loss.

Any gains or losses arising on changes in fair value are recognised in profit or loss to the extent that they are not part of a designated hedging relationship.

Impairment

The company recognises a loss allowance for expected credit losses on financial assets that are measured at amortised costs or fair value through other comprehensive income. Loss allowance is not recognised for financial assets measured at fair value through profit or loss, or equity instruments measured at fair value through other comprehensive income.

Expected credit losses are the probability-weighted estimate of credit losses over the expected life of a financial instrument. A credit loss is the difference between all contractual cash flows that are due, and all cash flows expected to be received, all discounted at the original effective interest rate of the financial instrument.

Trade and other receivables

The company has applied a simplified approach in accounting for trade and other receivables and recognises a loss allowance for the amount equal to lifetime credit losses. In measuring the expected credit loss, various data including historical experience and external indicators was taken into consideration.

Recognition of expected credit losses in financial statements

At each reporting date, the entity recognised the movement in the loss allowance as an impairment gain or loss in the statement of profit or loss and other comprehensive income.

The carrying amount of financial assets measured at amortised cost includes the loss allowance relating to that asset.

Assets measured at fair value through other comprehensive income are recognised at fair value with changes in fair value recognised in other comprehensive income. An amount in relation to change in credit risk is transferred from other comprehensive income to profit or loss at every reporting period.

Derecognition

Financial assets are derecognised when the contractual rights to receipt of cash flows expires or the asset and all substantial risks and rewards are transferred are transferred.

Financial liabilities are derecognised when it is extinguished (i.e. when the obligation in the contract is discharged, cancelled or expires). The difference between the carrying value of the financial liability which is extinguished or transferred to another party and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

(c) Impairment of Assets

At the end of each reporting period, the entity assesses whether there is any indication that an asset may be impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is at a revalued amount in accordance with another Standard. Any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

Where it is not possible to estimate the recoverable amount of an individual asset, the entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

(d) Employee Benefits

Short-term employee benefits

Provision is made for the association's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly within 12 months after the end of the annual reporting period in which employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The association's obligation for short-term employee benefits such as wages, salaries and sick leave are recognised as part of current trade and other payables in the statement of financial position.

Other long-term employee benefits

The association classifies employees' long service leave and annual leave entitlements as other longterm employee benefits as they are not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. Provision is made for the association's obligation for other long-term employee benefits, which are measured at the present value of the expected future payments to be made to employees. Upon the remeasurement of obligations for other long-term employee benefits, the net change in the obligation is recognised in profit or loss classified under employee benefits expense

The association's obligations for long-term employee benefits are presented as non-current liabilities in its statement of financial position, except where the association does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which the obligations are presented as current liabilities.

(e) Provisions

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

(f) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the statement of financial position.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

(g) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

(h) Critical accounting estimates and judgments

The council evaluates estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the association.

Key estimates - Impairment

The association assesses impairment at each reporting date by evaluating conditions specific to the association that may lead to impairment of assets. When an impairment trigger exists, the recoverable amount of the asset is determined. Fair value less costs to sell or current replacement cost calculations performed in assessing recoverable amounts incorporate a number of key estimates.

(i) Comparative Figures

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

Employee Provision

Provision for employee benefits represents amounts accrued for annual leave and long service leave.

The current portion for this provision includes the total amount accrued for annual leave entitlements and the amounts accrued for long service leave entitlements that have vested due to employees having completed the required period of service. Based on past experience, the entity does not expect the full amount of annual leave or long service leave balances classified as current liabilities to be settled within the next 12 months. However, these amounts must be classified as current liabilities since the entity does not have an unconditional right to defer the settlement of these amounts in the event employees wish to use their leave entitlement.

The non-current portion for this provision includes amounts accrued for long service leave entitlements that have not yet vested in relation to those employees who have not yet completed the required period of service.

The measurement and recognition criteria for employee benefits have been discussed in Note 1(g).

9 Related Party Transactions

Key management Personnel

Any person(s) having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any director (whether executive or otherwise) is considered key management personnel

The totals of remuneration paid to key management personnel of the entity during the year are as follow:

Key management personnel compensation

86,190 79,664

Other related parties

Other related parties include close family members of key management personnel, and entities that are controlled or jointly controlled by those key management personnel individually or collectively with their close family members.

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

	2023	2022
	\$	\$

10 Financial Risk Management

The entity's financial instruments consist mainly of deposits with banks, accounts receivable and payable and long-term investment.

The carrying amounts for each category of financial instruments, measured in accordance with AASB 139 as detailed in the accounting policies to these financial statements are as follows:

Financial Assets	Note		
Cash and cash equivalents	4	645,010	751,658
Trade and other receivables	5	897	6,704
Total Financial Assets		645,907	758,362
Financial liabilities Financial liabilities at amortised cost			
 Trade and other payables Total Financial Liabilities 	7	58,594 58,594	48,776
		,	10,110

Net Fair Values

The net fair values of financial assets and liabilities approximate their recognised carrying values. The aggregate carrying amounts of financial assets and liabilities are disclosed in the balance sheet and in the notes to the financial statements. No financial assets and financial liabilities are readily traded on organised markets in standardised form. Financial assets where the carrying amount exceeds net fair values have not been written down as the entity intends to hold these assets to maturity

11 Reserves

Asset Revaluation Reserve	1,785,622	1,785,622
ASSEL REVALUATION RESERVE	1,785,622	1,785,622

The Asset Revaluation Reserve records the revaluations of non-current assets.

12 Subsequent Events

Huntington's NSW ACT has been working towards a national merger with other state Huntington's Associations in order to improve the quantity and quality of service provision.

Huntington's NSW ACT has contributed materially during this financial year to the establishment of a new company, Huntington's Australia Ltd., with the approval of the membership to merging into this new entity in late 2023.

Members gave their approval to the merger at the AGM in November 2022.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

13 Charitable Fundraising

Huntington's NSW & ACT incorporated is an authority holder in accordance with the NSW Charitable Fundraising Act, 1991. The entity is required to disclose income and expense from fundraising appeals.

The accounting principles adopted are stated in Note 1.

a) Details of aggregated gross income and total expenses from fundraising appeals

	2023 \$	2022 \$
Fundraising income		
Fundraising income and events	260,105	211,384
Donations & Appeals	49,238	95,181
	309,343	306,565
Expenses from fundraising		
Consulting fee	-	-
Employee benefit related to fundraising	47,923	52,933
Fundraising cost	18,132	10,632
Appeal cost	-	-
Total costs of fundraising appeals	66,055	63,565
Net surplus from fundraising activities	243,288	243,000

b) Nature of fundraising appeals and application of net surplus

Fundraising appeals primarily consisted of donations from the community, and fundraising events & activities, for instance, Walk4hope. The net surplus generated from fundraising activities was applied to the charitable purposes of the organisation.

STATEMENT BY MEMBERS OF THE BOARD

The Board has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Board the financial report as set out on pages 1 to 17:

- 1. Presents a true and fair view of the financial position of Huntington's NSW & ACT Incorporated as at 30 June 2023 and its performance for the year ended on that date in accordance with Australian Accounting Standards Simplified Disclosure Requirements of the Australian Accounting Board), the Australian Charities and Not-for-profits Commission Act 2012 and Associations Incorporation Act 2009: and
- 2. At the date of this statement, there are reasonable grounds to believe that Huntington's NSW & ACT Incorporated will be able to pay its debts as and when they fall due.
- 3. In accordance with the provisions of the Charitable Fundraising Act 1991 and the regulations under the Act.
 - a) The financial statements give a true and fair view of all income and expenditure of Huntington's NSW & ACT Incorporated
 - b) The Balance Sheet gives a true and fair view of the state of affairs with respect to fundraising appeals; and
 - c) The provisions of the charitable Fundraising Act 1991, the Regulations under the Act and the conditions attached to the authority have been complied with; and
 - d) The internal controls exercised by Huntington's NSW & ACT Incorporated are appropriate and effective in accounting for all income received and applied by Huntington's NSW & ACT Incorporated from any of its fundraising appeals.

This statement is made in accordance with a resolution of the Board and is signed for and on behalf of the Board by:

Chair:

Katy Clymo

M.Raven

Treasurer:

Dated this 30th day of October 2023

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HUNTINGTON'S NSW & ACT INCORPORATED ABN 54 571 730 306

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Huntington's NSW & ACT Incorporated (the entity), which comprises the statement of financial position as at 30 June 2023, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information and the board members' declaration.

In our opinion, the accompanying financial report of Huntington's NSW & ACT Incorporated has been prepared in accordance with Division 60 of the Australian Charities and Not-for-profits Commission Act 2012, including:

- (i). giving a true and fair view of the entity's financial position as at 30 June 2023 and of its performance for the year then ended; and
- (ii). complying with Australian Accounting Standards Simplified Disclosure Requirements and the Australian Charities and Not-for-profits Commission Regulation 2022.

We also report that

- (a) the financial statements show a true and fair view of the financial result of fundraising appeals conducted during the year;
- (b) the accounting and associated records have been properly kept during the year in accordance with the Charitable Fundraising Act 1991 and the Regulations;
- (c) money received as a result of fundraising appeals conducted during the year has been properly accounted for and applied in accordance with the Charitable Fundraising Act 1991 and the regulations; and
- (d) at the date of this report, there are reasonable grounds to believe that the entity will be able to pay its debts as and when they fall due.

Basis of Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The board members are responsible for the other information. The other information comprises the information included in the entity's annual report for the year ended 30 June 2023, but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The board members of the entity are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Simplified Disclosure Requirements and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HUNTINGTON'S NSW & ACT INCORPORATED ABN 54 571 730 306

In preparing the financial report, the board members are responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the entity or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design
 and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate
 to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than
 for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the
 override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the board members.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board members regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
